Principal's Message

The lack of respect for human life, that seems so much a part of our daily existence, is probably the most distressing problem of our times. No day goes by without the news media bringing some crime of violence to our attention. Individual violence, group riots and national warfare bring only a plea for more police protection or larger armies. While it is true that lawlessness must be subdued by greater force, we must realize that man's history shows that violence and brutality breed violence and brutality. Therefore, we need to search for more basic answers.

It would seem that the schools must accept the obvious challenge placed at their doorstep. Every aspect of our operation must show that we see the truly educated man as one who finds his own fullfillment as a function of his neighbor's fullfillment. All phases of our operation, from the classroom to the athletic field, must show a devotion to fair play, respect for human rights, and honest self analysis. This, then is the type of religious training that no court will rule unconstitutional, and with which no man can take exception.

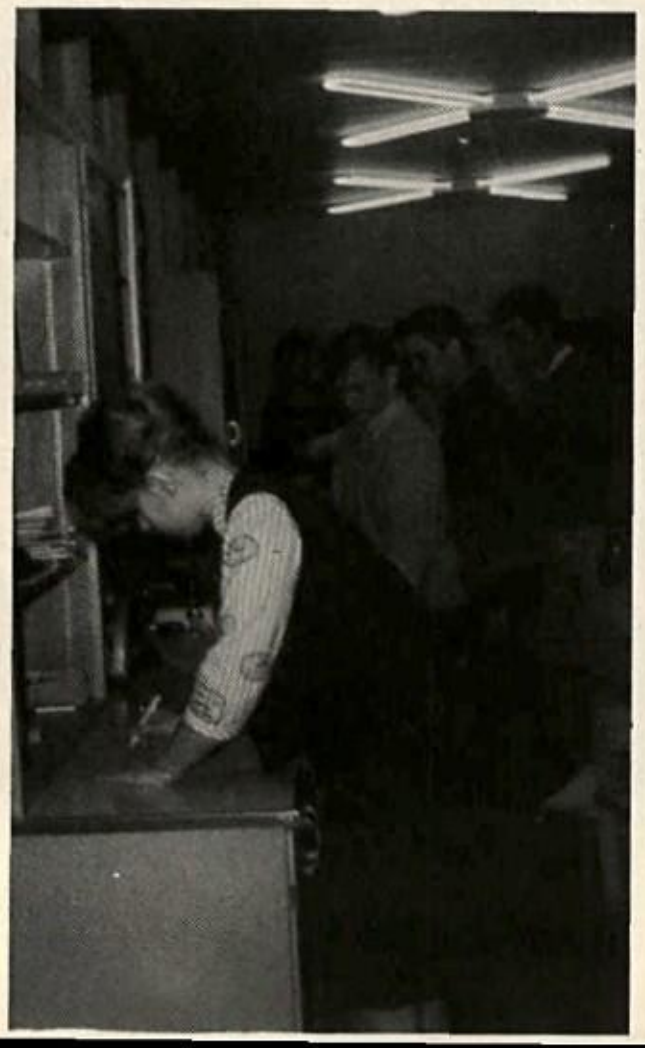
Only 32 hours until the Prom.

Our efficient office staff at work.

Yes, we know where the lab is, Mr. Wingate.

Seniors Look Back On Their Years at Southern

The Echoes staff launches its subscription campaign.



Glen tries for a jump ball.

The Jellystone Bear leads Barbara Krams to victory.

Looking for the winning potion, Wells?

Speed it up.

Looking for a way out?

Three seconds before the bell.

Chorus members relax before the show.

To the Failures and Successes, the Work and the Play, . . .

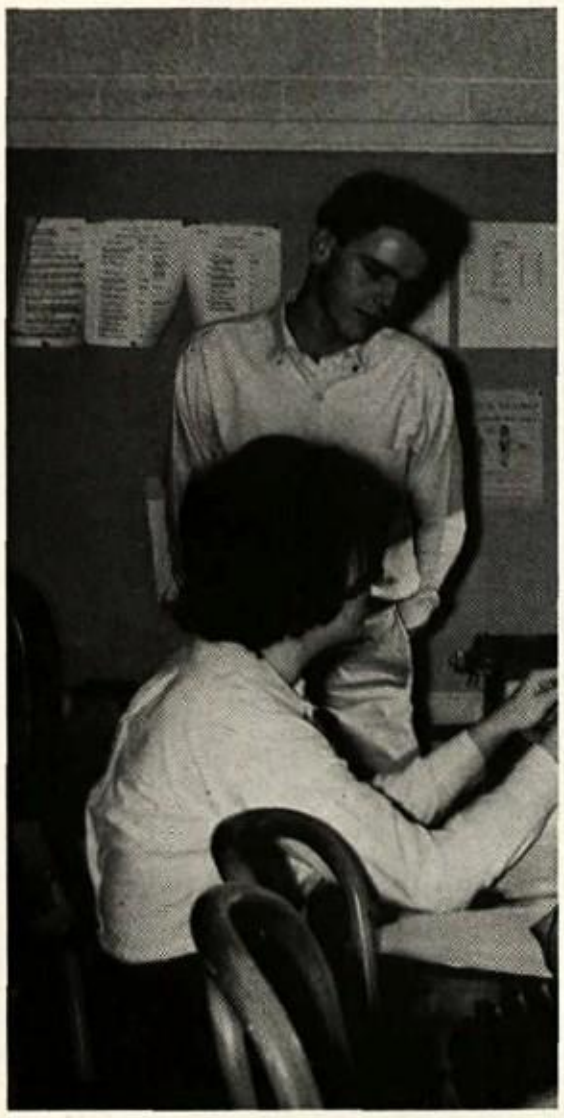
Here is the Echoes staff -- still working.

Tarzan Who?

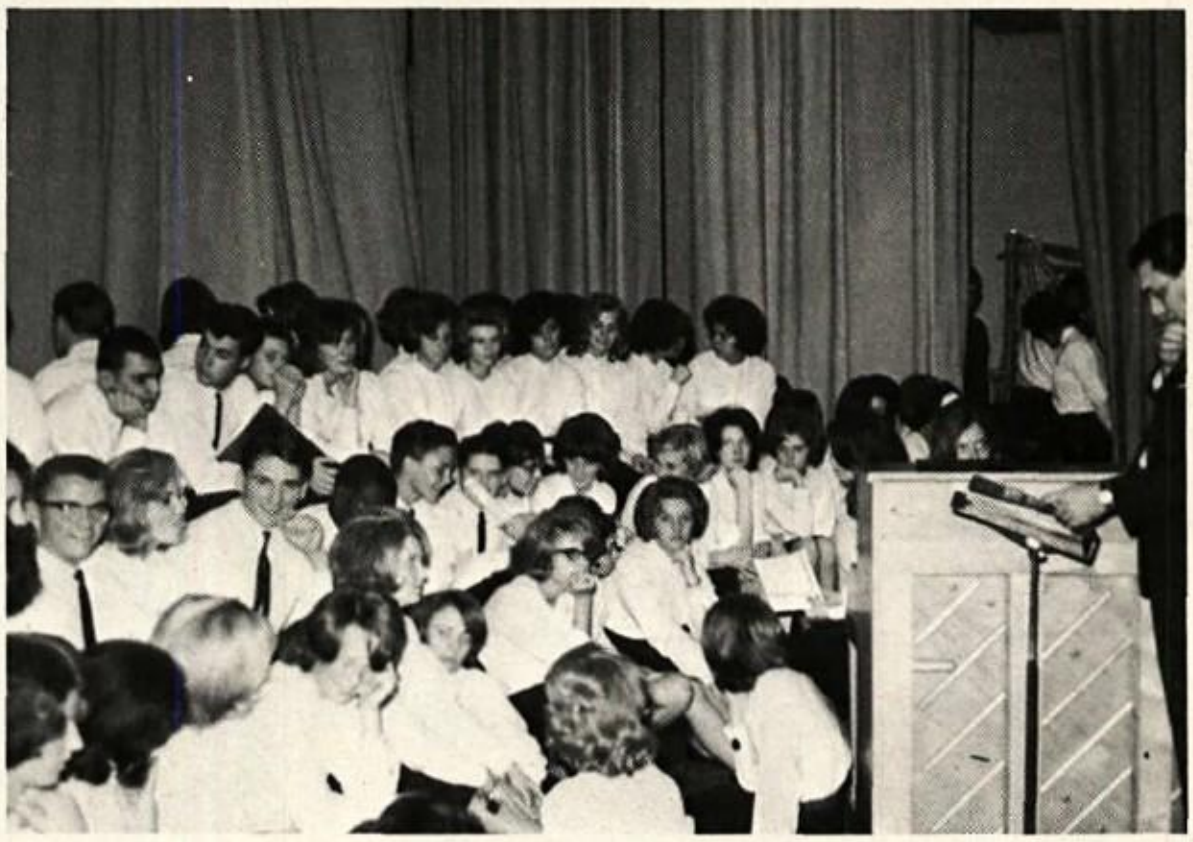
Seniors -- working?

It has to be Sunday.

Waiting for an inspiration?



"Dear Santa,"



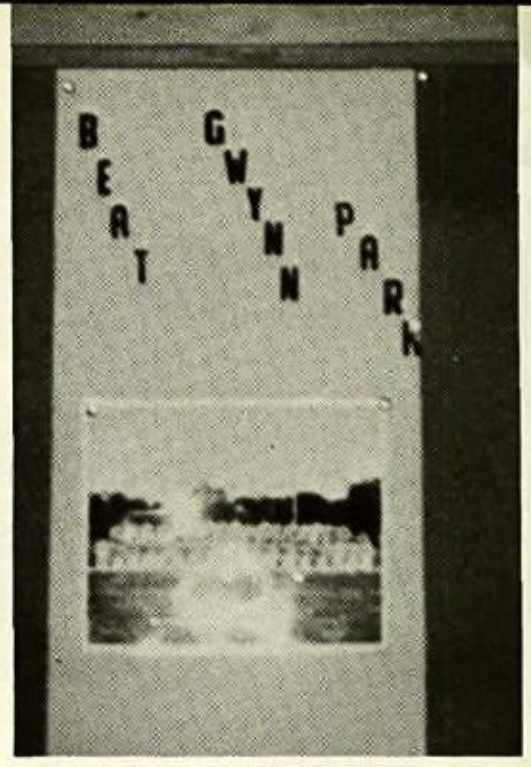
Who took that piece of music?

The Seniors are HOW much in debt?

My notes are here somewhere!

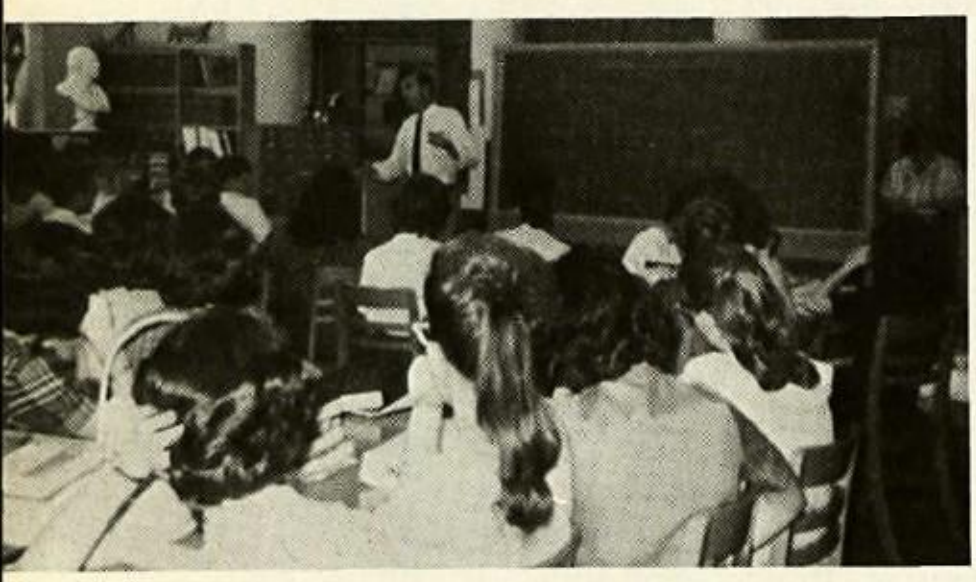
Study what?

I think that's the wrong button, Jack.



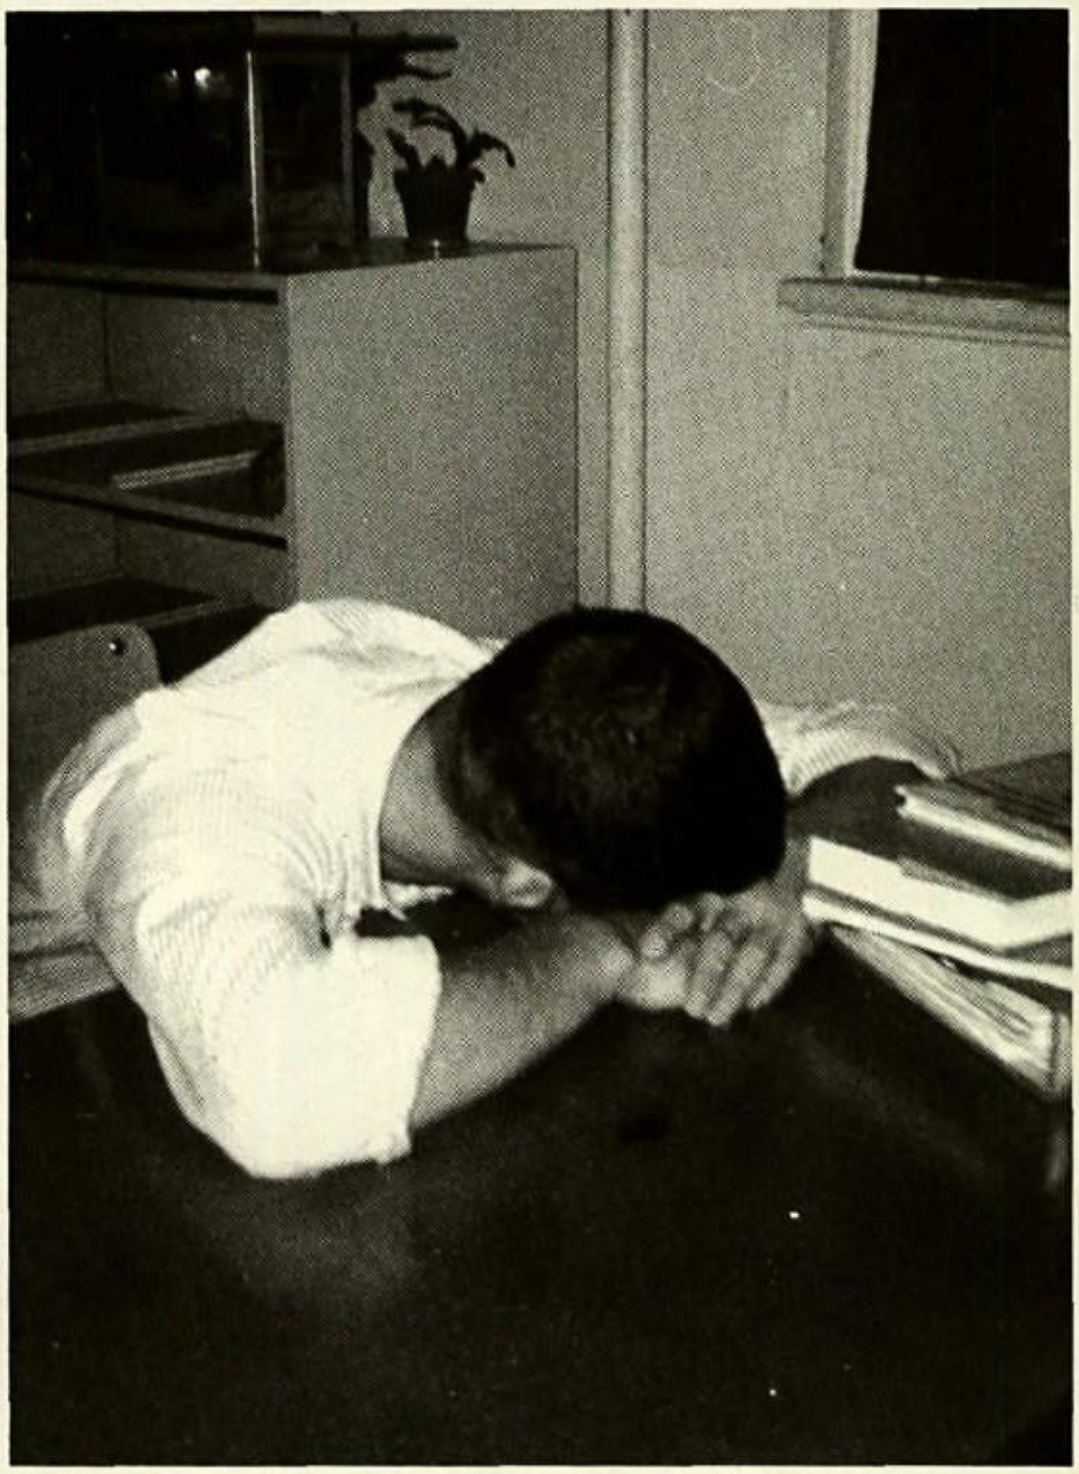
And so we did.

Don't worry about George, he is not dangerous.



Visiting Historian, Mr. Thomas May.

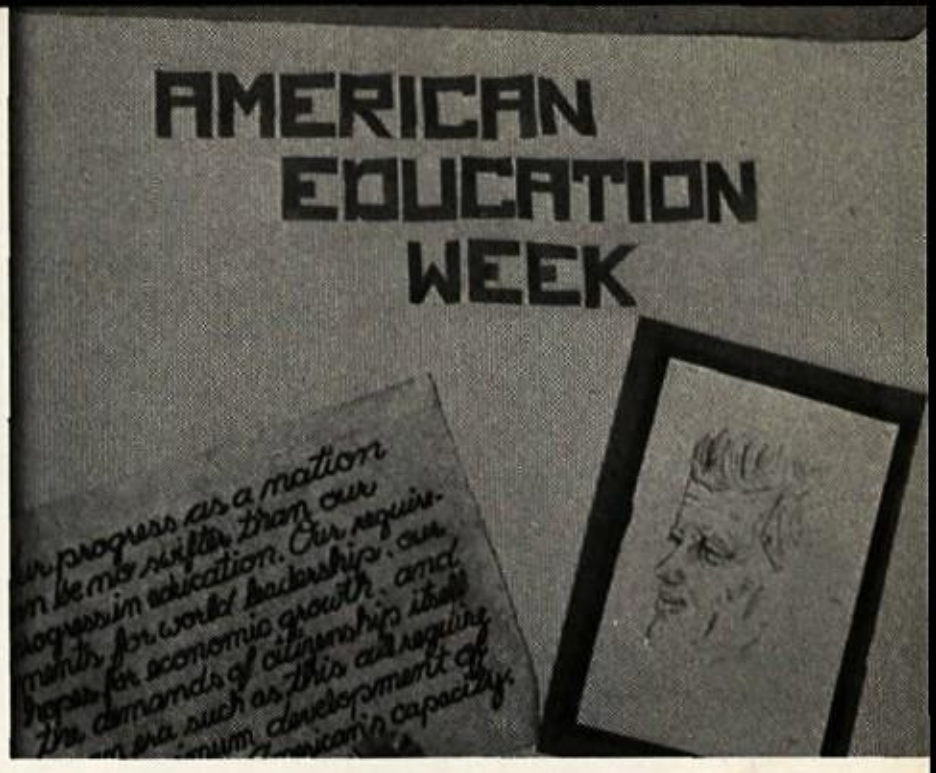
Chorus after performance.



Putting his all into Zoology.

Introducing the one and only slim line Santa.

Planning their school wardrobes.



Diana Rollins did this bulletin board.

Now, how's that tune go?

Two plus two equals five.

Let's not crowd the mirror, girls.

Gentleman Bingham comes to the rescue.

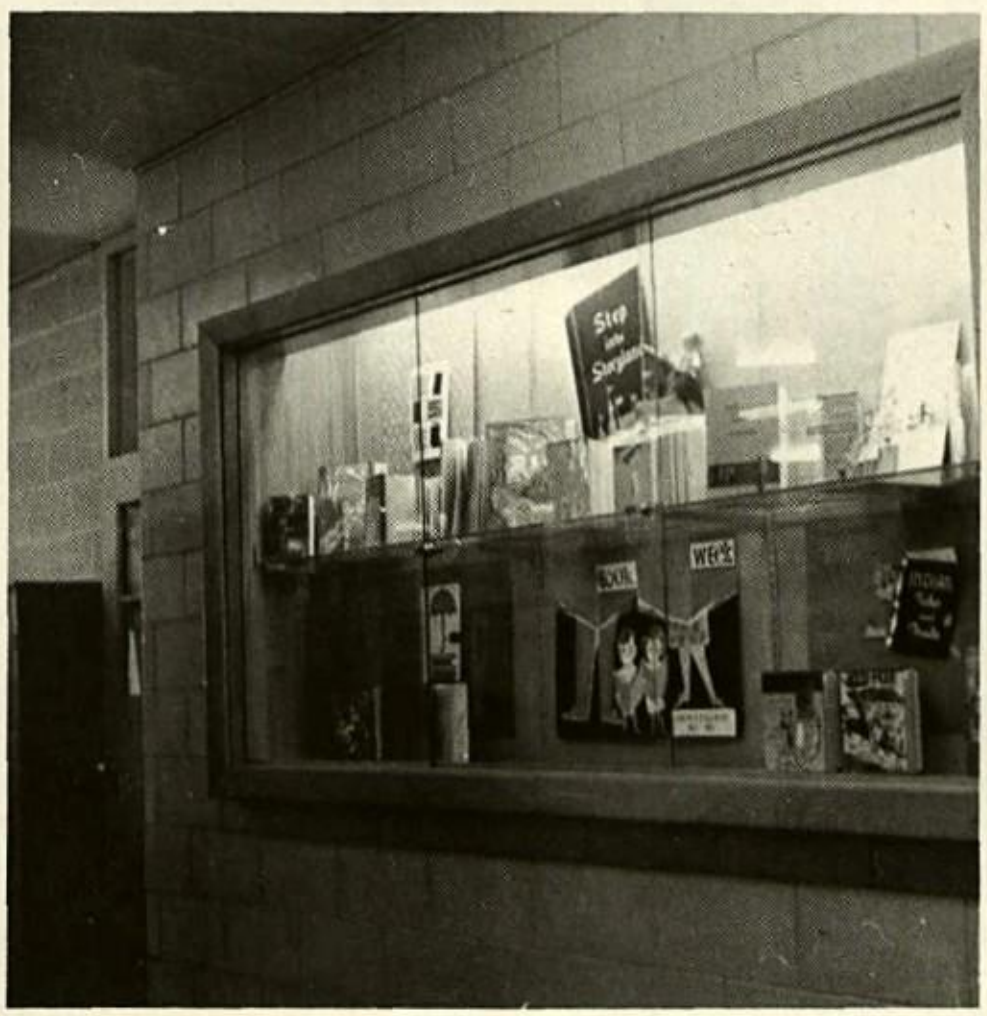
Student Council elections '64.

Mr. President.

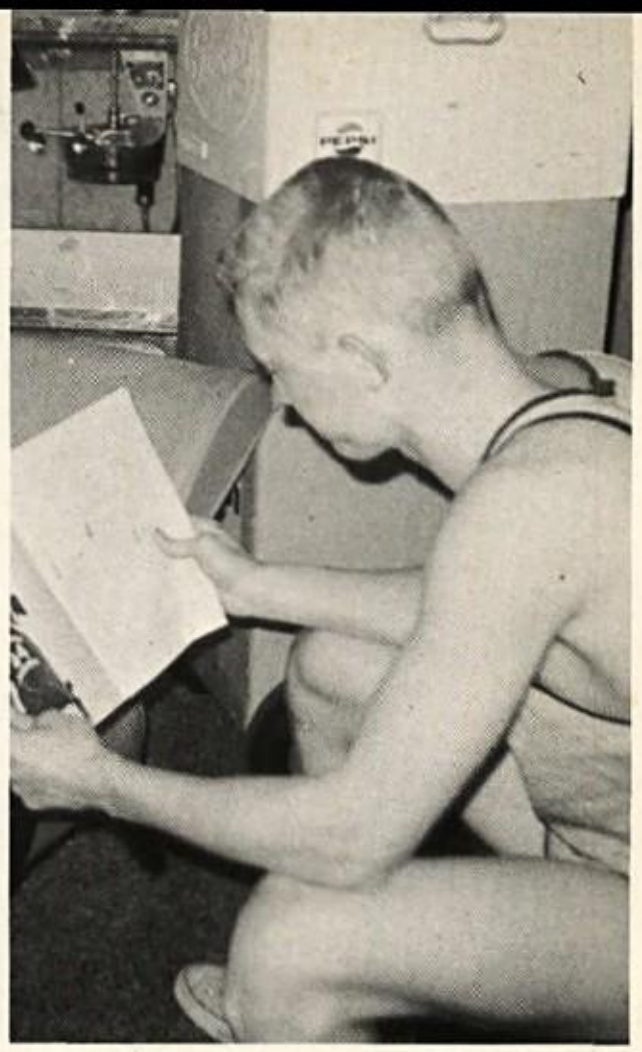
. . . And Remember.

Quiet before the hungry hordes attack.

Bulletin boards decorate our halls.



You mean you use books?



So that's how you do it!

Maybe if I close my eyes, she will go away.

"What's happening?"

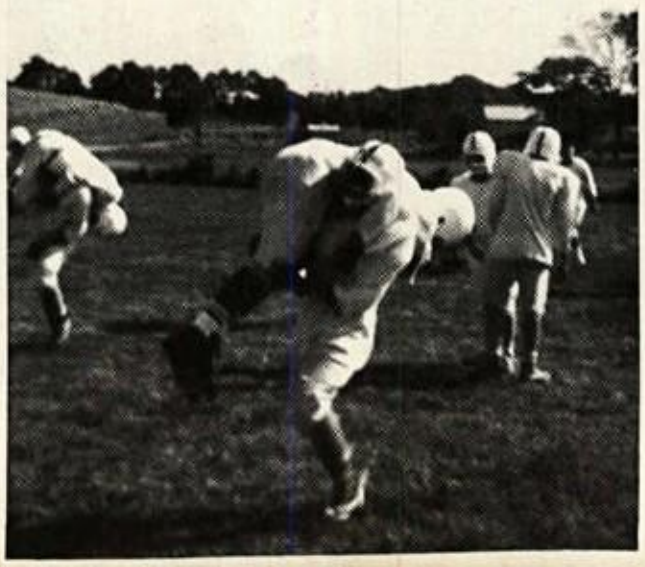
You Have To Pay The Price

The 1964 football squad earned the recognition as the most successful football team in the history of Southern High School. The season can be marked as a team effort, the boys were determined from the very start that they were going to make this our best season. From the first practice to the last game, they were constantly improving their technique and never gave up their desire to work hard. In summing up, I can say the boys "Paid the Price."

Coach Terreshinski



Southern High Bulldogs End

This was the year that made Southern students say, "I'm from Southern" without any apologies. This was the exciting year when school spirit rose to an all-time high as we cheered our winning team home.

Captains
Charles Crandell, Gary Turner

Place kicker
Dan Lackey

Halfback
Bob Stach, Donald Scheckells

Fullbacks
George Gross, Charles Kidd, Alex Schagel.

Guards
Rusty Miller, Charles Crandell, Warren Williams, John Dingler.

Centers
Scott Sudduth, Pat Pyne, Louis Hayes.

Season Victoriously . . .

On September 19, the Bulldogs took Gwynn Park 12 to 7. Catching a pass from Gary Turner, Wells Dixon raced 40 yards to score the touchdown that set off an electric current in the stands -- the current that was to burn throughout the whole season. Donald Sheckells ran 34 yards for T.D. Number 2.

On September 26, the Bullodgs smashed Col. Richardson 25 to 6 in our Homecoming game. Two touchdowns were brought in by Gary Turner. Bob Stach and Donald Marshall gave the score two more big boosts.

On October 3, our boys took a heartbreaking defeat from Lackey. Our only touchdown was scored by George Gross recovering a Lackey fumble.

On October 10, we beat Central 13 to 7. Dixon and Turner once again figured in the first touchdown. Bob Stach scored the winning touchdown in the last minutes of the game.

Saturday, October 17, was a rainy, muddy day, but nothing dampened the spirit of the many fans who waded through the mud, and sat in the rain to see N. Dorchester fall 12 to 0.

The Saints folled us on October 23, in their Homecoming game. Bob Stach received the kick-off and ran 85 yards for the ony Southern touchdown. St. Marys won the game 25 to 7..

Great Mills was our last home game. In the eyes of Coach Tereshinski, it was the most crucial up until that time because only Great Mills had defeated St. Marys. This was our chance to prove our worth and to end a perfect home series. We romped over the visitors 17 to 3.

N. Caroline met its third defeat as the Bulldogs edged past them in a 30-0 victory. Dan Lackey booted a 35 yard field goal in the third quarter for Southern only points.

In the last game of the year we ended the season on a high note with an easy victory of 25-0 over Calvert County.

And so at the end of the season we stood 7 and 2 after the most exciting season in our memory.

To me, this 1965 varsity team will always be champions. Champions, not by counting the number of games they won and lost, but by the way that each player handled herself, not as an individual, but as a member of a team putting forth that extra effort to win. They worked harder at practices, gave an unlimited amount of energy and time, and did more of what was required of them in every game than any other team which I have coached. Consequently, I will always be especially proud of this team in particular.

Coach Albright

"This has to be an amazing comeback for a team which lost nine straight at the start of the season," was Mr. Albright's sentiments. "With increased team effort we finished the last five games with four wins. The climax of the season was our first win over Annapolis in the last four years."

Christmas Assembly

NASA

The importance of the space program in America's future was clearly demonstrated by a representative from N.A.S.A.

Advancements made since man's first attempt at space travel were demonstrated in a series of experiments. The displays included the different types of satellites and rockets launched in the past decade.

I'm sure I bought a ticket for her, too.

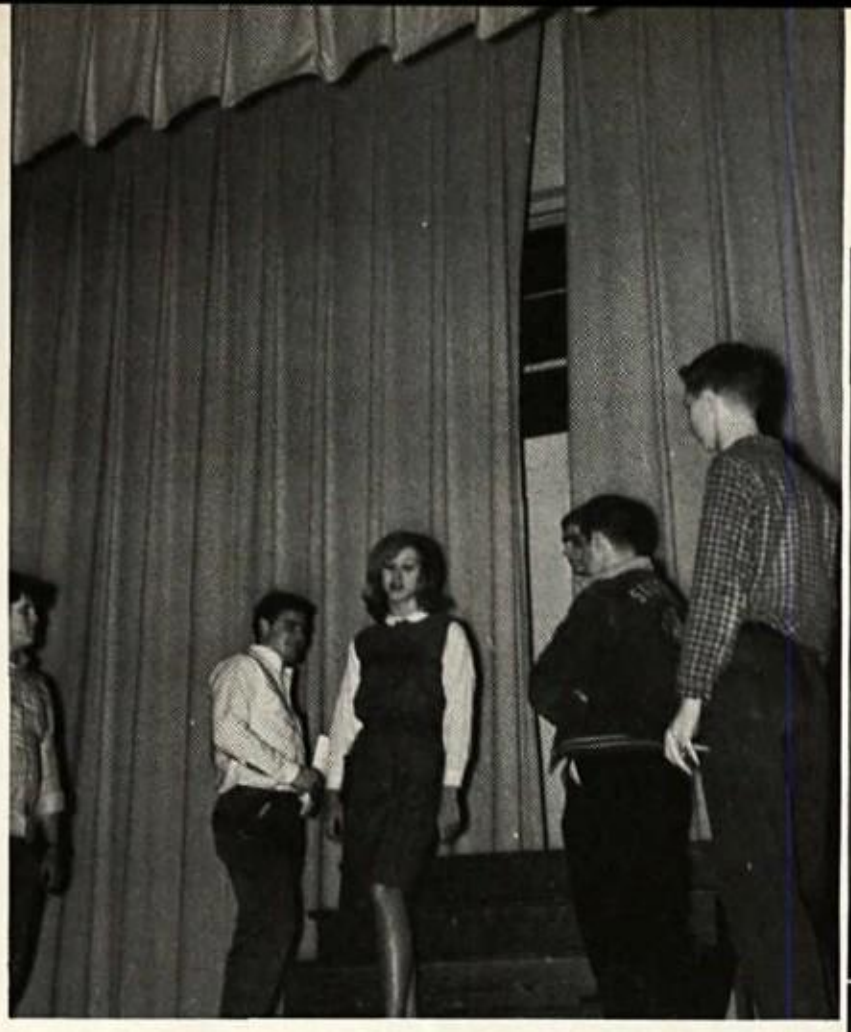
Miss Klaas tries the crown for size.

March of Dimes

On February 3, the Frilly Ferns met the Southern Finks in a basketball game for the March of Dimes. The Ferns, the boy's varsity basketball team, beat the Finks, the girl's varsity team, by a score of 25 to 15.

The boys dressed as girls and it was a popping good game. The whole school came out to see it, and everyone enjoyed themselves.

Talent Show



Take one idea, add numerous committees, select talented people, put in hours of individual rehearsal, and practice -- the result: a talent show. This year's edition, "New York, New York," displayed the various talents of the Southern student body. Beginning with an illustrated tour of the city, the show continued with visits to Radio City, the Lincoln Center for the Performing Arts. Julliard School of Music, the Bowery, many of the city's night clubs, and other scenes of entertainment. The finale, set in the United Nations, featured the reading of the Universal Declaration of Human Rights, the singing of "This Is My Country," and the parade of flags.

Senior Play

If you take six struggling actors and actresses, band them together because of financial insecurity, you would find them in some weird predicaments. This produced the setting for our gay and light-hearted Senior Play. "Out of the Frying Pan," written by Francis Swann and directed by Mr. Stofko, was good entertainment for all.

1964 Prom

"Antebellum," a period before the civil war, was the theme for the 1964 Prom. Many days of planning and hard work were involved in its preparation. The plantation setting was completed with couples dancing in the beautiful gardens. Both the class of '64 and '65 have fond memories of May 23, 1964.
